### Thunderstorm Advisory in Effect

The National Weather Service (NWS) Guam Weather Forecast Office issued a **thunderstorm advisory**, in effect for the Guam International Airport until 6:00 p.m. this evening. Thunderstorms are occurring within 5 nautical miles of the airport.

A thunderstorm advisory is also in effect for the Guam International Airport until 9 p.m., for thunderstorms possible or occurring within 20 nautical miles of the airport.

These storms have been producing occasional lightning. Be alert and take precautions as required. If lightning is seen or thunder is heard, remain indoors.

For Guam, it is expected to be mostly cloudy with scattered showers and isolated thunderstorms this evening.

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD) remind the community to practice caution while traveling on wet roads, driving below the speed limit and allowing enough braking distance between vehicles.
